IN THE HEART OF THE CITY

LIMERICK
STRAND
HOTEL

Champagne or Chardonnay? Candles or flowers? Planning a wedding is exciting but a little bit daunting too! At the Limerick Strand Hotel we help you to create the perfect bespoke wedding in truly luxurious surroundings. It's the little things that make the biggest difference! That's why extras like chair covers, a tasting menu and a complimentary overnight stay are all included, to make things easier for you.

Sophisticated Splendour... The Shannon Suite

Every wedding is different. Some want to celebrate on a grand scale. Our Shannon Suite is the perfect venue to create a big impression. With room for up to 450 dinner guests there's no need to agonise over putting 'plus guest' on the invites!

Natural daylight brings a warmth to this room, while high ceilings and impressive lighting create a wonderfully spacious ambiance. Guests can enjoy a choice of two well appointed bars and a moveable stage and dance floor gives you the flexibility to create the perfect roomscape for your reception.

Or if the newly weds want to take some time out from the celebrations, a private terrace is the perfect romantic setting to savour this special day.

Our best kept secret... The City View Suite

Some prefer a more intimate setting. Catering for groups of up to 110 guests, our 6th floor City View Suite is the perfect contemporary setting for a stylish reception in the heart of the city.

Your guests can experience spectacular night views of the city through the impressive wall to ceiling windows or meander onto the private, wraparound balcony to sip cocktails and listen to roar of the magnificent River Shannon.

Balancing Body & Soul

Planning a wedding can be quite challenging. Energize Health Club is the perfect stress-relieving antidote. You and your guests can wind down in our 20m swimming pool, hydrotherapy and plunge pool, relax in our sauna and steam room or tone up in our fully equipped gym and fitness studio.

Aspara beauty

Why not share an indulgent day with some of your closest friends or family, pampering yourself before your big day. Our *Aspara Beauty Spa* has 5 treatment zones. From manicures to massages, our trained beauticians will make you feel fabulous from head to toe.

For the perfect 'up style' or a sleek party look, why not drop into Niall Colgan Hairdressing within the vicinity of the hotel.

Accommodation

It's important that your guests get some preferential treatment too! So as you enjoy a complimentary stay in a Junior Suite on your wedding night, we'll also allocate 20 of our beautifully appointed king superior rooms with breathtaking panoramic views, to the bridal party at a special rate. Children under the age of 10, sharing with adults, stay for free. We'll even give your guests an adjoining room for the kids at half the rate of their room.

Sink into Luxury

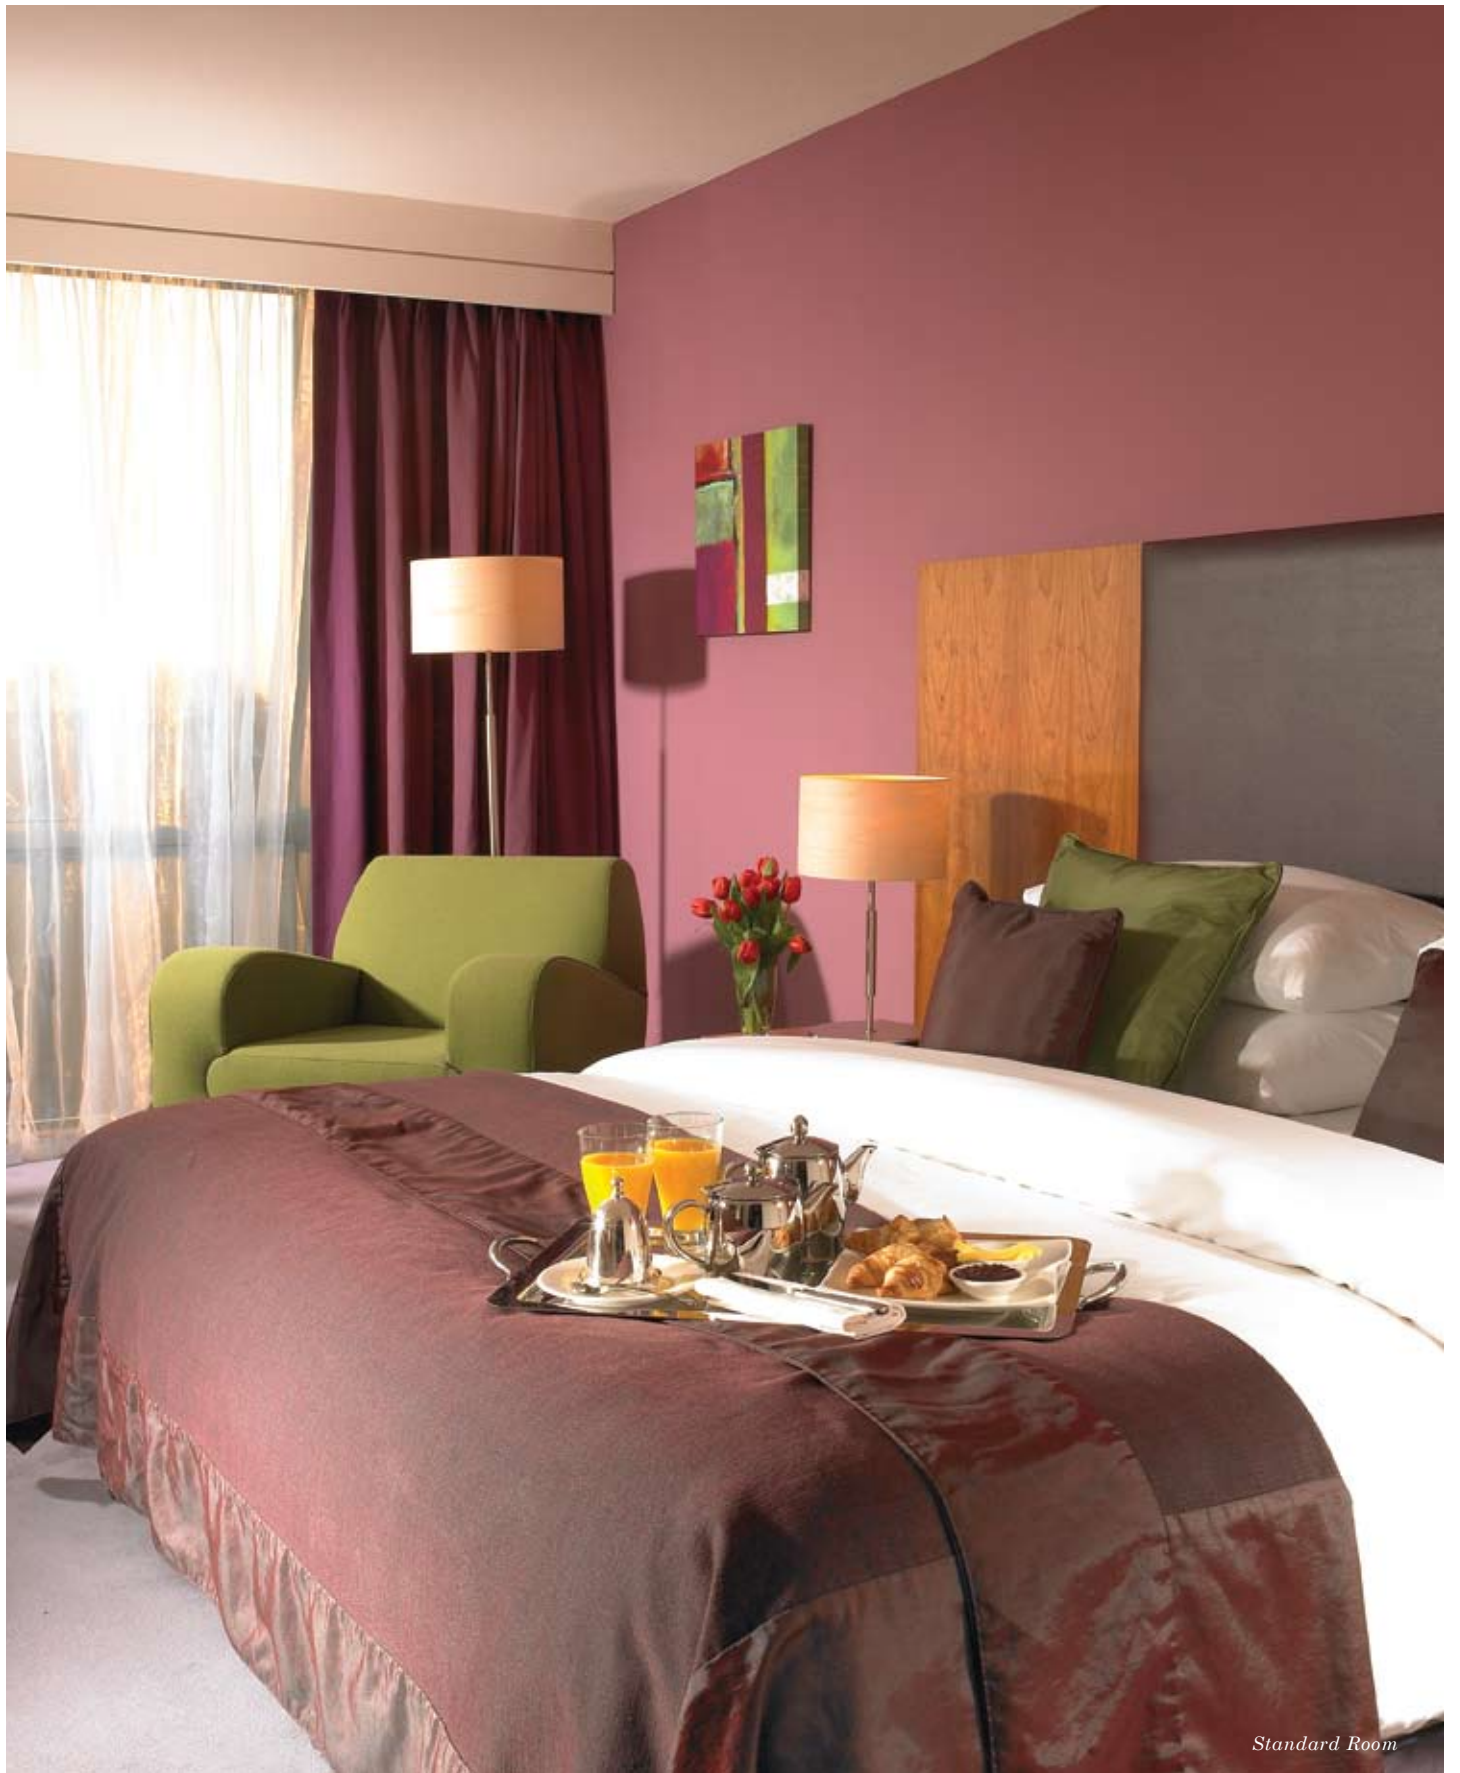

At the end of a perfect day there's nothing better than slipping upstairs and sinking into a luxurious bed. Plump pillows, power showers and plasma TVs – everything has been carefully chosen to make your stay as relaxing as possible.

The bridal suite has a stunning private balcony overlooking the vibrant cityscape – the perfect place to pop open a bottle of champagne and toast a truly memorable day.

The ceremonial kiss at the end of a wedding ceremony is said to represent the couple sharing and joining their souls.
