## TREATY CITY BREWERY LIMERICK

Treaty City Brewery started in a small two bedroomed apartment in East Vancouver Canada. After a long night of general debauchery, plenty of merriment and many bottles of bland tasteless beer, Limerick Man Stephen Cuneen decided enough was enough. Something had to be done. Life was too short to drink bad beer. The spare bedroom was quickly converted into a working brewery and he set about creating our very first beer. Harris Pale Ale was born after many exploding fermenters, boil overs, leaking mash tuns. The recipe is still very similar today but we don't brew on a hob in the kitchen anymore and instead of 20 litres we brew 3000 litres each batch in Limerick City

<b>HARRIS PALE ALE</b> <i>Limerick, Ireland</i> Boldly hand-crafted in Limerick using traditional small batch production with the finest all natural ingredients. Harris Pale Ale from Treaty City Brewing is a well-balanced, hop forward pale ale inspired by the Limerick hell-raiser of the same name. A generous helping of cascade hops gives this tawny coloured ale a citrus/floral aroma and flavour. A blend of the finest pale and caramel malts gives a complex malt character while keeping the hops in the forefront. Fantastic with fish and poultry dishes.	<b>6.50</b> <i>500 ml bottle</i>
<b>SHANNON RIVER IPA</b> <i>Limerick, Ireland</i> Inspired by the wild and majestic Shannon River, this IPA is bursting with hop aromas ranging from pine to grapefruit, resulting from the massive hop additions in both the kettle and the fermenter. A perfectly balanced malt backbone combined with the signature fruity aromas of centennial hops makes this beer remarkably drinkable and lives up to the beauty of its namesake.	<b>6.50</b> <i>500ml bottle</i>
<b>THOMOND RED ALE</b> <i>Limerick, Ireland</i> For Millennia the name Thomond has been synonymous with bravery and strength, This Red Ale is no exception. Dark ruby red in colour and brewed with large amounts of specialty roasted malts. It has a bold malt flavour. Noble hops give a distinctive honey earthy aroma and contribute to the smooth dry finish.	<b>6.50</b> <i>500ml bottle</i>
