TEAM BUILDING

AT THE 4* LIMERICK STRAND HOTEL

Escape Limerick

Escape Limerick is a fun & challenging escape room experience in the heart of Limerick's Medieval Quarter. An escape room is a real-life physical puzzle game where you and your team are locked in a room for one hour. You need to interact with your surroundings and work together with your colleagues to crack clues and solve puzzles so that you figure out your escape before the 60 minutes are up! Each of our 3 escape rooms has its own unique theme which has been loosely based on a chapter of the city's history from the 1200s right up to the 1900s.

Escape Rooms are ideal as a group activity and work particularly well for smaller group sizes. They're all about problem solving, decision making, critical thinking, communication and, above all else, working together which is why they've become so popular both nationally and internationally as a team building experience.
