

A wedding couple is standing in front of a brick wall. The wall is divided into sections of blue, pink, and purple by large, diagonal, semi-transparent geometric shapes. The couple is smiling and looking at each other. The man is wearing a white shirt, a patterned tie, and a light-colored vest. The woman is wearing a white sleeveless dress and holding a bouquet of flowers. The text "LIMERICK STRAND HOTEL" is overlaid on the left side of the image, and "DREAM WEDDINGS" is overlaid on the right side.

OUR PACKAGES

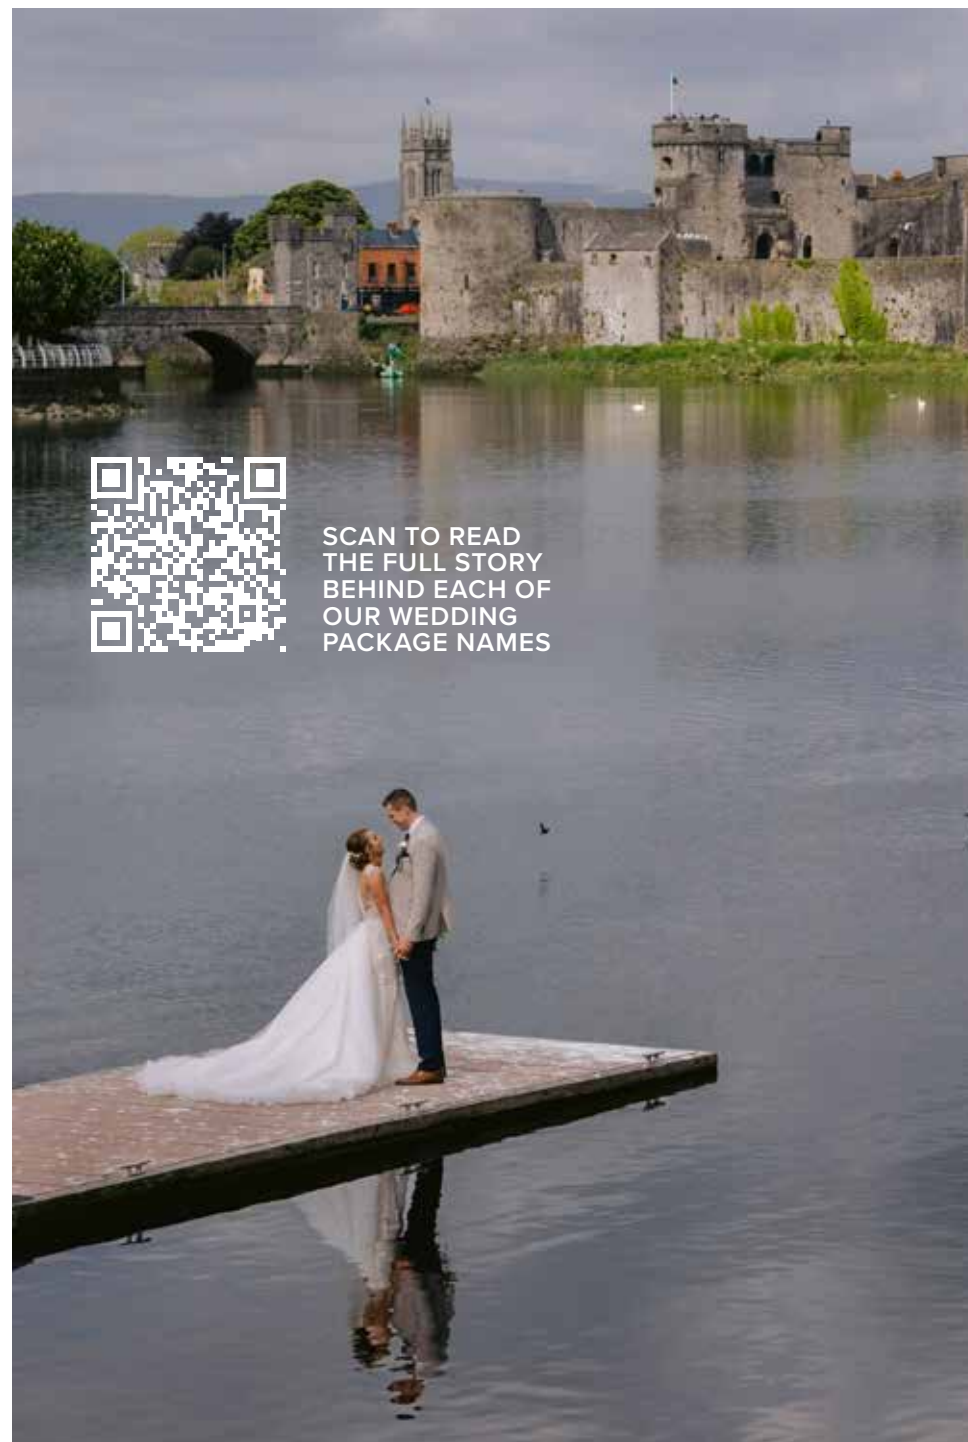

CELEBRATING LOVE IN LIMERICK

When planning our packages, we wanted to reflect a sense of place, history and charm - qualities that make a wedding here unique - and Limerick, with it's timeless landmarks, felt like the perfect inspiration. Each package is named after a landmark that reflects a distinct aspect of what makes Limerick so special. From

the stately presence of King John's Castle to the elegance of the River Shannon, Limerick's landmarks remind us of strength, beauty, and a sense of belonging - the Dolores O'Riordan Mural, the majestic River Shannon, the historic Treaty Stone and the renowned Thomand Park & Sarsfield Bridge. We hope you can capture your wedding images at these landmarks, the values they represent are romance and joy. Whether you have a local connection or simply appreciate the charm of this historic city, each package offers an experience rooted in tradition.

THE NEXT DAY

THE CELEBRATIONS CONTINUE

Your wedding day is one of the most special days of your life, however the day after allows you to relax and celebrate with your nearest and dearest before you jet off on honeymoon. The Limerick Strand Hotel offers a range of packages for the Day After Party including finger food platters, relaxed buffet lunch options and BBQs on the outdoor Terrace. Music can be organised on request.

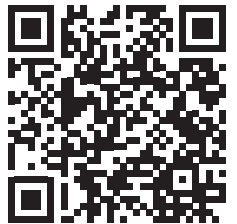

OUR GREEN WEDDINGS

A MORE SUSTAINABLE CHOICE

We are committed to sustainability and environmental responsibility and thanks to our work and continuous improvement we have been accredited by Green Tourism. We can help you make your wedding greener and more sustainable in many ways. For each wedding we will plant a native tree with Hometree charity, who are working on establishing, restoring and protecting permanent Irish native woodlands. If you'd like to mark your wedding day by planting more trees and receive a certificate, we would be happy to assist in that. Instead of wedding favours you can choose to make a donation to the Hometree charity, through the link on our website. All our packages include candelabra and cherry blossom decorations so you can avoid buying disposable decorations or flowers. We cater for both civil wedding ceremonies and reception, so that you and your guests can avoid unnecessary travel and reduce the carbon footprint of the celebrations.

Consider reducing the carbon footprint of your menu by requesting options that feature, as many as possible, of the best local ingredients that are currently in season. Let our Head Chef Paddy and his team skilfully craft satisfying vegetarian and vegan options, as part of a more sustainable menu choice. We offer local beer made just across the Shannon River by Treaty City Brewery, as well as vegan and organic wine options. We can also provide QR codes for the wedding menus to minimise printing and paper use.
